ADDITIONAL JCDA DANCE PROGRAMS

JCDA PRAISE TEAM

For JCDA Students Ages 5-18

A tuition-free class for all current JCDA Students. Dancers will work on developing a personal relationship with God, bible study, real-life application, and the art of worship through dance.

Through generous donations, a bible, study notebook, and additional materials will be provided. Parents must supply a Christmas Recital outfit (more details provided as we approach our performance), as well as pay for our end-of-year recital costume.

JCDA AMBASSADOR TEAM

For JCDA Students Ages 8-18

A tuition-free class for all current JCDA Students. Dancers will represent JCDA throughout the community by developing their own service projects. The team will lead one collection drive and one volunteer drive collectively each year, and then will help each-other develop their individual community service projects. Additional community performance opportunities are available, and dancers will also perform in the end-of-the-year recital.

Parents must purchase a JCDA Ambassador tee-shirt and sweatshirt, but no additional costume purchase will be required.

JCDA DANCE ASSISTANT INTERNSHIP PROGRAM

For JCDA Students Ages 11-18

Do you want to develop leadership skills?

Do you dream of one day being a dance teacher?

JCDA Dance Assistants will represent JCDA inside our dance classes along side our top-notch instructors. Assistants demonstrate dance steps for our students, assist with classroom management, and assist with sanitizing and dismissal procedures.

Assistants aid in typically two classes per week, and must attend recital for those classes as well. Each assistant is also required to help with the JCDA Christmas Show, as well as one additional party or camp.

New in 2021-2022: As an additional performance opportunity, dance assistants will also perform in the end-of-the-year recital with our JCDA Dance Staff.

Parents must purchase a JCDA Assistant tee-shirt and pay for the first-aid training and information manual.
